Dear Sirs

SUBMISSION OF UTILITY SERVICES PLAN FOR A&A WORKS

Please refer to our earlier circular ref. LTA(R)43.037.004 dated 1 November 2013 on the requirement to submit utility services plan to LTA together with the development/building plans during the street plan submission stage.

2 It is noted that buildings/houses undergoing A&A works do not require submission of street plan to LTA. As utility service connections may be needed for such A&A works, QPs would also be required to submit the utility services plans for A&A works to LTA not less than 3 months before the commencement of the utility laying works.

3 Please submit the utility services plan showing the proposed routes of utility connections within the public streets together with the proposed schedules of the works to the following address:

Road Asset Regulation & Licensing Division
1 Hampshire Road, Block 3, Level 3
Singapore 219428

4 This will take effect from 1 May 2014. Failing which, the approval process for the utility laying works may be correspondingly delayed.

5 We would appreciate it if you could convey the contents of this circular to all members of your respective organisations. If you have any queries, please send them to Mr Soo Chang Chen at email: chang_chen_soo @lta.gov.sg or Mr Wee Thiam Huat at email: thiam_huat_wee@lta.gov.sg.

Yours faithfully
