- 2. List of Latest BCA Forms**
- 3. List of BCA Folders/ Forms Removed**

## 1. Updating Form Templates in ESPro (Electronic Submission for Professional)

- 1.1 To launch ESPro, click on the **ESPro** (Electronic Submission for Professional) icon on your desktop.

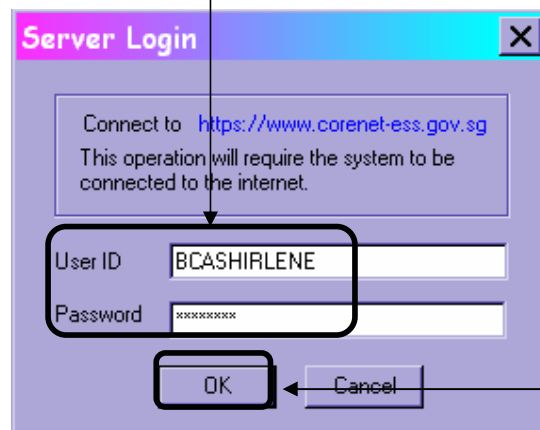

- 1.2 After launching the ESPro, go to **Tools** and select **<Synchronize>**.

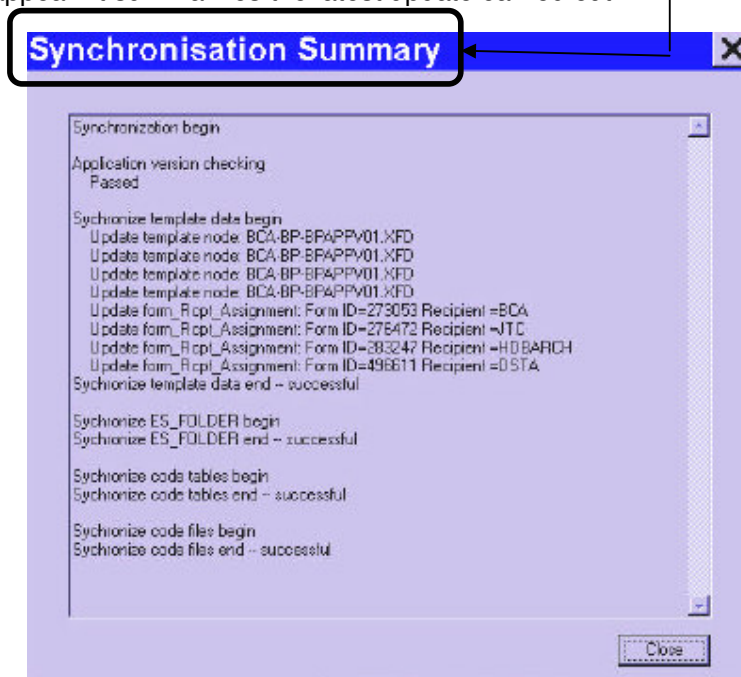

### Notes:

The synchronisation function will only work when your PC is connected to the Internet. It will update the Form Templates in your PC with the latest agencies forms.

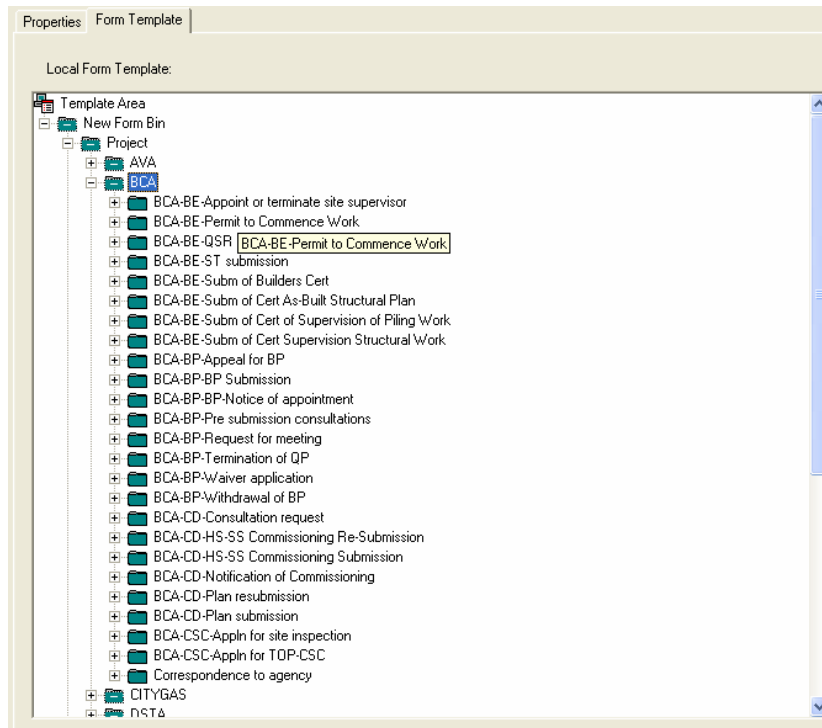

- 1.3 Key in your **USER ID** and **Password**, and click on the **<OK>** button to start synchronize after

- 1.4 Upon successful synchronization, a “**Synchronisation Summary**” dialogue box will appear. It summarizes the latest update carried out.

- 1.5 The latest “FORM TEMPLATE” should look exactly like the one below.

**Notes:**

Outdated forms in your “Work Area” will have a **RED** file name after the synchronisation; you will need to replace them with the newly downloaded forms in the Form Templates.
