Dear Sirs/Madam,

APPLICATION FOR APPROVAL OF STRUCTURAL PLANS - Change in form.

With the changes to the Accredited Checkers' (AC s) System which would be effective from 1st September 2001, BCA has revised the application form for the approval of structural plans. The revised form is with reference BEV/A1 Ver 1.0_Sep_2001, copy of which is attached.

2 Under the revised system, the AC acting for an AC project with a value of building works more than \$10 million has to come from an AC Organisation which is registered under the Building Control Act. An AC project with building works up to this value can be undertaken by an AC acting on his own behalf. Thus, the revision in the form is to cater for this change. The form is to be used from the above effective date and for all structural plans submissions (AC & non-AC projects). Copies of the revised form are now available at the BCA Service Counter on the 2nd storey of MND Complex Tower Block. Alternatively, the form can be downloaded from BCA's website at <http://www.bca.gov.sg> from the effective date.

3 I would appreciate it if you could bring the contents of this letter to the attention of your members. If you need any clarification, you may contact Mrs Foo-Leoh Chay Hong at 325 7535.

Thank you.

Yours faithfully

KOH BOON JENG
SENIOR MANAGER
BUILDING ENGINEERING DIVISION
for COMMISSIONER OF BUILDING CONTROL
