Dear Sir or Madam

BCA-SGBC GREEN BUILDING INDIVIDUAL AWARDS 2012

We are pleased to inform you that nominations are now open for the **Green Building Individual Awards 2012**, jointly awarded by the Building and Construction Authority (BCA) and the Singapore Green Building Council (SGBC).

2 The main objective of the Awards is to accord recognition to individuals in the building and construction sector, for their consistent contribution and outstanding achievements in the development of a green and sustainable built environment.

3 The new Awards comprise four categories:

- Green Architect
- Green Engineer
- Green Advocate
- Green Innovator

4 The assessment criteria for the above four awards in 2012 remains the same as that during the inaugural year in 2011. Nominees in the first three categories must have strong involvement and track record in green developments in Singapore, and overseas if any, for the past three years, while nominees in the Innovator category would need to show their strong involvement and track record in the area of green building R&D/innovation, also at least over the past three years.

5 We cordially invite professionals and individuals, across the industry's value chains, who have contributed immensely in the development of green and sustainable buildings to participate in the Green Building Individual Awards, which will be presented at the BCA Awards Night in May 2012. The closing date for nomination is **16 Jan 2012, Monday**.

6 Further details and the application form for the Awards are attached in this letter, which can also be found on our BCA website at <http://www.bca.gov.sg>. If you need any clarification, please contact Ms. Vivian Sim (DID: 6325 5924 or email: vivian_sim@bca.gov.sg) or Mr. Tan Soo Huat (DID: 6325 5022 or email: tan_soo_huat@bca.gov.sg).

7 I would appreciate it if you could bring to the attention of your members the content of this circular and strongly encourage them to participate in this Awards scheme. Thank you.

Yours faithfully,

NEO CHOON KEONG
