Dear Sirs,

CONTINUAL EDUCATIONAL TRAINING (CET) FOR THE RENEWAL OF CORETRADE REGISTRATION

This circular informs the industry on the requirement to attend Continual Educational Training (CET) for the renewal of CoreTrade registration.

Continual Educational Training for CoreTrade Renewal

2 To continuously upgrade the construction workforce to support improvement in productivity, quality and safety, all CoreTrade personnel, who renew their CoreTrade registration from **1 Oct 2013** onwards, are required to attend CET under their respective registered trade category. Funding for the CET is available for locals under the Workforce Training and Upgrading (WTU) scheme.

3 The CET will be a half-day course covering the latest codes and regulations, good practices, and demonstration of new methods, materials, tools and equipment relevant to the specific construction trades and/or areas of responsibility of the registered personnel.

4 BCA has appointed 14 ATTCs to conduct CET for the 17 CoreTrade trade categories. The list of ATTCs offering the CET, including that offered by BCAA, is in Annex A.
