BCA UNIVERSAL DESIGN (UD) MARK CALL FOR SUBMISSION

Background

The **BCA Universal Design (UD) Mark** is a voluntary certification scheme introduced in October 2012 to accord recognition to developments and stakeholders that adopt a user-centric philosophy in their design, operations and maintenance. It also aims to raise greater public awareness towards user-friendly buildings.

2 The scheme allows assessment of projects at design stage with the provision of criteria checklists, hence, facilitating the incorporation of UD principles from the onset of project development. A built development will be awarded a display plaque, indicating one of the four UD Mark ratings: Certified, Gold, Gold^{PLUS} or Platinum. For on-going developments, UD Mark ratings will be determined based on design and indicated as Certified (Design), Gold (Design) or Gold^{PLUS} (Design).

3 There is no restriction on the number of entries that each individual, firm or team can submit and the application is open all year round.

4 We therefore strongly encourage all developers, building owners, qualified persons and designers involved in creating an inclusive built-environment to participate in the scheme.

Assessment and application

5 Interested parties would have to submit an application form to BCA to register their interest in participating in the UD Mark scheme. The assessment process would include:-

- a) Preliminary meeting with the BCA assessment team for clarifications on the request for relevant documentation;
- b) Actual assessment involving design and documentary reviews;

c) Site verification by BCA assessment team.

6 The scheme is currently opened to the following categories:-

a) **New non-residential developments** - this would include commercial (offices, hotels, retail malls), industrial, institutional, infrastructural and mixed use developments.

b) **Refurbished non-residential developments.**

c) **New residential developments** - this would include public and private residential developments.

7 Details on the assessment and application process can be found in our website at <http://www.bca.gov.sg/friendlybuilding>. For clarifications, please contact Ms Joan Mok or Ms Joyce Tung at 6325 8611 (before 22 Dec 2014) or 6804 4762 (after 22 Dec 2014), or email: bca_ud@bca.gov.sg.

Yours faithfully
