Dear Sir

ANNEX 15

- 1) INFORMATION FOR IRAS
- 2) BUILDING CONTROL SUBMISSION PROCESSING SYSTEM (BSPS)

Thank you for your letter dated 16 Aug 99.

2 We will have the names and addresses of applicants in the list of the TOP/CSC issues (to IRAS) for September 1999 and the subsequent months. The list will be published in October 1999.

3 With reference to paragraph 4 of your letter, we confirm that there is no bug in our Building Control Submission Processing System (BSPS). However, documents, after scanning, may not be clear due to various reasons such as blue coloured ink used for stamping or signature etc. To overcome the problem, we would be grateful if you could seek your members' co-operation to adopt the salient features recommended in the attached Appendix.

4 Thank you.

Yours faithfully
