Dear Sir/ Madam,

BCA-SGBC GREEN BUILDING INDIVIDUAL AWARDS 2014: OPEN FOR NOMINATIONS

We are pleased to inform you that nominations are now open for the **Green Building Individual Awards 2014**, jointly awarded by the Building and Construction Authority (BCA) and the Singapore Green Building Council (SGBC).

2 The main objective of the Awards is to accord recognition to individuals from the built environment sector for their consistent contribution and outstanding achievements to sustainable development in Singapore.

3 The Awards comprise the categories listed below. As we place greater emphasis on the greening of existing buildings, we see it timely to introduce a new 'Green Facilities Manager' award category to profile and recognise the Facilities Management (FM) community and FM professionals who made exceptional contributions towards the effective and efficient management of green buildings.

- **Green Architect**
- **Green Engineer**
- **Green Advocate**
- **Green Innovator**
- **Green Facilities Manager – (new)**
- **Young Green Individual**

(automatic eligibility for nominees of the above categories who are below age 40 in 2014)

4 The assessment criteria for the new 'Green Facilities Manager' category is similar to the Green Architect/ Engineer/ Advocate categories. Nominees under these four (4) categories must have strong involvement and track record in green developments in Singapore, and overseas if any, for the past three years, while nominees in the Innovator

category will need to show their strong involvement and track record in the area of green building R&D/ innovation at least for the past three years.

5 In addition to the above, young professionals/ practitioners who are below age 40 in Yr 2014 are automatically eligible for the 'Young Green Building Individual' award when they are nominated for the above-mentioned five (5) main categories. Nominees in this category will be cross-assessed based on their personal and professional contributions to green building development and management.

6 A commendation award will also be accorded to shortlisted nominees in recognition for their passion, contributions and continuous support to the advancement and/or management of green buildings in Singapore.

7 We cordially invite professionals and individuals who have contributed immensely in the development and management of green and sustainable buildings to participate in the Green Building Individual Awards, which will be presented at the BCA Awards Night in May 2014. The closing date for nomination is **26 Feb 2014, Wednesday**.

8 We would appreciate it if you could bring this information to the attention of your colleagues/ members and strongly encourage them to participate in the Awards. The nomination forms and further details for the Awards can be found on BCA website at <http://www.bca.gov.sg/GreenMark/gbia.html>.

Thank you.

Yours faithfully,
