Dear Sir

**AMENDMENT OF RAPID TRANSIT SYSTEMS (RAILWAY PROTECTION,
RESTRICTED ACTIVITIES) REGULATIONS**

- Erection of Sheds/Shelters/Tents within the Railway Protection Zone

We are pleased to inform you that the schedule of restricted activities in the Rapid Transit Systems (Railway Protection, Restricted Activities) Regulations was recently amended.

2. One of the amendments is related to the erection of sheds/shelters/tents within the railway protection zone. As a result of the amendment, permission from LTA is not required for erection of sheds/shelters/tents within the railway protection zone that meet the following requirements:
 - i) The sheds/shelters/tents are located at least 10m away from the outermost edge of any above ground railway structures or fencing of at grade railway structures, and;
 - ii) Liquefied petroleum gas (LPG) where it is used is placed at least 20m away from the outermost edge of any above ground railway structures or fencing of at grade railway structures.
3. For erection of sheds/shelters/tents within the railway protection zone that do not satisfy the conditions stated in para 2 above, submission for approval shall be made to LTA using the prescribed FORM LTA DBC RAIL-S2 Ver3 (see attachment).
4. We would also like to take this opportunity to seek your co-operation to continue to implement safety procedures and precautionary measures when carrying out works near the rapid transit systems so as not to endanger any passenger travelling on the railway.
5. Please contact Mr. Wong Fook Khee at 63328304 or Mr. Yeang Hoong Chin at 63328310 if you need any clarification.

Yours faithfully

Goh Kok Hwa
