Dear Sirs

STANDARD DETAILS FOR TACTILE TILES ON FOOTPATH RAMPS

1. Please refer to our circular of 6 April 06 of the same caption where we had informed you about the revised standard drawings for footpath ramps with tactile tiles.
2. Due to requests from the industry for standard drawings of footpath ramp with tactile tiles for non standard footpath layout in the older residential estates, we have prepared additional drawings. These drawings have been approved for implementation and it will be included in the Standard Details of Road Elements (SDRE) for use.
3. While updating these drawing in the SDRE in Corenet's e-Info website may take a while, we have attached these drawing in Annex A to F, for your reference.
4. I would appreciate it very much if you could convey the contents of this circular to the members of your organisations. If you have any queries, please do not hesitate to contact Mr S Mathusoothanan at 6332 8229.

Yours faithfully

SONG SIAK KEONG
