Dear Sirs

LTA CIRCULARS – QUARTERLY SUMMARY

1. We have been sending circulars to the professionals in the construction industry whenever changes are made to our codes or guidelines. These circulars were also posted in the corenet e-information system.

2. To further improve our service to the e-information users, we will be sending a summary of hyperlinks to the previously posted circulars every quarter. This we believe will be useful as it will keep the users informed of the circulars posted during the last quarter.

3. The links to the circulars sent during the last quarter September 2006 to December 2006 are as follows:
