Dear Sirs

Enhancements to Code of Practice for Traffic Control at Work Zone

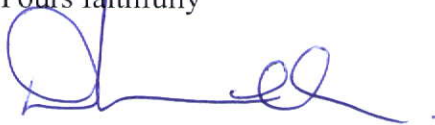

Rapid developments and urbanization have led to more construction work sites abutting the roads. It is critical that both motorists and workers are properly segregated and protected.

In this regard, I am pleased to inform you that Section 4-17 (Safety Barriers for Road Works) of the Code of Practice for Traffic Control at Work Zone (COP) has been enhanced to include more types of safety barriers and their respective applications under different site conditions.

Please access the COP for more information on the changes at the following URL:

http://www.lta.gov.sg/dbc/index_dbc_other.htm

Yours faithfully

Nedumaran Ramasamy
Deputy Director
Road Infrastructure Management
