Dear Sir/Madam

CHANGES TO THE CODE OF PRACTICE (COP) FOR WORKS ON PUBLIC STREETS (AUGUST 2014 EDITION)

We have recently reviewed the Code of Practice (COP) for Works on Public Streets and would like to take this opportunity to inform you of the changes.

The changes to the Code of Practice (COP) for Works on Public Streets are summarised as follows:

- 1) Editorial changes to reflect change to the name of the relevant Division in LTA due to re-organisation;
- 2) Requirements for placement of OG boxes.

You may download the latest version of the Code of Practice for Works on Public Streets in LTA website under sub-sections, "Industry Matters", "Development Building", "Construction & Utility Works", "Street Proposals and Works on Public Streets".

We would greatly appreciate if you could disseminate the contents of this circular to relevant members of your organisation.

For enquiries or clarifications on the changes, please email Mr Ho Cher-Ron at cher-ron_ho@lta.gov.sg or contact him at 6396 2367.

Thank you.

Yours sincerely
