Dear Sir

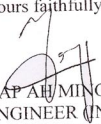

USE OF COPPER PIPES COMPLYING WITH BS 2871:PT 1:1971

I refer to our earlier letter of 25.3.98.

2 This is to inform you that PUB has extended the use of approved copper pipes (BS 2871:Pt 1) for another year from 15.3.2000. Hence, with effect from 15.3.2001, only approved copper pipes complying with BS EN 1057:1996 will be allowed for use in water service installations.

3 Should you need any clarification, please do not hesitate to contact us at Tel. Nos. 7313557/77.

Yours faithfully

YAP AH MING
