Dear Sir / Madam,

Submission of CCTV Reports only by Registered CCTV Contractors

In our earlier circular (Our Ref: WRN/NMB/TC/CCTV dated 27 June 2012) we have informed all that from 1 Jun 2012, PUB have started to register CCTV contractors and from 1 Jan 2013, only PUB registered CCTV contractor will be allowed to conduct CCTV inspection works. This was to address issues of safety, malpractices by contractors that affect operation of public sewers and quality of CCTV reports submitted to PUB.

2. The current list of registered CCTV contractors as of 1 Dec 2012 is attached. All future updates to this list of PUB registered CCTV contractors will be available in our website,

<http://www.pub.gov.sg/general/usedwater/Documents/RegisteredCCTVContractor.pdf>.

3. From 1 Jan 2013, only CCTV inspection and reports prepared by registered CCTV contractors will be accepted by PUB. We would like to advise you to use only PUB registered CCTV Contractors for all CCTV inspection of public sewers or private drainlines, as any report submitted that was carried out by non-registered CCTV contractors will be rejected.

4. If you need any clarification, please contact Ms Chen Hwee Fern (Tel: 65172215 or email at chen_hwee_fern@pub.gov.sg) or Mr Say Kwee Wu (Tel: 65172227 or email at say_kwee_wu@pub.gov.sg).

Yours faithfully,
