Dear Sirs

NUMBERING SYSTEM FOR PRIVATE HYDRANTS

Currently, the developer/contractor liaises with PUB Water Department on the number to be assigned to each private hydrant to be installed. Upon completion of the installation works, the allocated number will be painted onto the respective hydrants.

2. With effect from 1 April 2004, PUB will no longer be issuing numbers for private hydrants. Henceforth, developers/contractors do not need to liaise with PUB Water Department on the assignment of number for their private hydrants. Instead, they will number the private hydrants sequentially themselves. For example, the numbers to be painted on the private hydrants will be "01/03", "02/03" & "03/03" if there are 3 hydrants within the private lot.

3. For A/A works carried out in existing building, the developer/contractor has the option of either retaining the existing numbering or renumber the existing hydrants in accordance with the new numbering system.

3. Please convey the contents of this circular to members of your Institution/Association/Board. The circular is also available in CORENET-einfo: <http://www.corenet.gov.sg/einfo>.
