Dear Sirs

PSB PRODUCT LISTING SCHEME

With the implementation of the Singapore Productivity & Standards Board (PSB) Product Listing Scheme, qualified persons (QPs) should select the fire safety materials that are listed under the Product Listing Scheme to meet the requirements of the Fire Code. In this regard, we like to emphasize that all previous approval letters issued for all sorts of fire safety materials by the Fire Safety Bureau (FSB) shall be treated as null and void with effect from 7 Sep 98. To find out whether a product is listed under the Product Listing Scheme, QPs should request the building material supplier to produce the PSB Certificate of Compliance as a proof of listing.

2 The FSB-PSB Steering Committee has recently revised the list of the materials that are required to be listed under the Product Listing Scheme. A copy of the revised list is enclosed for easy reference. This list shall supersede the previous list which was attached with our circular under reference FSB 37/86 dated 16 Jul 98. Please note that the implementation date for the listed materials is still as stated in the aforesaid circular.

3 We wish to inform that PSB has agreed to inform all professional bodies, through the e-mail on the first week of every month starting from Feb 99, the information of new fire safety products whenever they are listed under the Product Listing Scheme. You may contact Ms Tan Chiew Wan of PSB at Tel No 7729617 for enquiries.

4 We would appreciate it if you could bring to the attention of your members, the contents of this circular.

Yours faithfully

Teo Lim Teck
Secretary, FSB Standing Committee
