International Conference on Soft Ground Engineering

3 – 4 December 2015, Singapore

CALL FOR PAPERS

Building and Construction

Authority

Supported by
AGSSEA
Association of Geotechnical
Societies in Southeast Asia

ANNOUNCEMENT

International Conference on Soft Ground Engineering (ICSGE2015) is jointly organized by the Geotechnical Society of Singapore (GeoSS), the Centre for Soft Ground Engineering (CSGE) at National University of Singapore (NUS), and the Building and Construction Authority (BCA). The ICSGE2015 offers a platform for engineers and researchers to interact and share experience on geotechnical design and construction issues in soft ground.

TOPICS

- Excavation and retaining structures in soft ground
- Foundations and structures on soft ground
- Ground improvements in soft soils
- Laboratory and numerical studies on soft soils
- Case studies on soft ground engineering problems

Papers from other themes relevant to conference are also welcome.

Companies/Organizations that are interested to be conference sponsors or exhibitors may contact Conference Chair **Prof C F Leung**
(e-mail: ceelcf@nus.edu.sg)

IMPORTANT DATES

Abstract due	31 Mar 2015
Acceptance of abstract	15 Apr 2015
Full paper due	30 Jun 2015
Acceptance of full papers by	31 Aug 2015
Author registration due	31 Oct 2015

ABSTRACT SUBMISSION

Abstracts of about 300 words must include the title of the paper, authors' names, e-mails and affiliations. All submissions must be in English and should be made via the online submission system found at <http://www.geoss.sg/icsge2015>. The required file format is Adobe Acrobat PDF or MS Word in one single file for each submission. The abstracts must be received by 31 March 2015.

All the accepted papers will be published by Research Publishing, Singapore and each paper in the proceedings will get DOI number assigned and deposited into *CrossRef* (www.crossref.org). The publication will be submitted to ISI Web of Science, Scopus and other subject related indexers for possible indexing.

Singapore — Origin of the Lion City

In the 13th-century Malay Annals, Sang Nila Utama, a prince from Palembang was shipwrecked and washed ashore to an island. There he saw a creature which he believed was a lion. Taking it to be a good sign, he founded a city, naming it “The Lion City” or Singapura, from the Sanskrit words “simha” (lion) and “pura” (city).
