## Trainer's Profile

**Mr. Oh Boon Chye, Jason**  
**DfS Trainer**

Jason Oh obtained his Bachelor of Engineering (Honours) in Civil Engineering from the University of Glasgow, UK and furthered his study at the National University of Singapore (NUS) for his Master of Science (Safety, Health and Environmental Technology). In his earlier years, he was serving in the Singapore Armed Forces (SAF) as Guards Officer, and later went on to venture into the construction, consultancy, bio-energy and the manufacturing sector as Engineer, Designer, HSE Professional, Project Manager and General Manager. He was registered as the WSH Auditor (Open Category) with the MOM from 2003 to 2010. He has gained vast experience in the construction, process industry, metal working, manufacturing and other industry sectors. Jason is the Advisor for the Health & Safety Engineering Technical Committee of IES, he is also the Chairman, Building Fund Working Committee; Deputy Chairman for the Fund raising for WES (World Engineers Summit 2015). Additionally, he is also the Convenor for the review committee for CP63: 1996 (2005): Code of practice for the lifting of persons in work platforms suspended from cranes. He is actively promoting the "Design for Safety" training course with IES. He believes that all stakeholders have a part to play in the WSH family.
