

Dear Industry Professionals,

INDUSTRY SURVEY ON BIM E-SUBMISSION

We would like to invite your participation in a brief survey at the following link:

<https://goo.gl/forms/FRgPfijZ7Ww8ONL93>

BIM e-submission was introduced in 2010 and made mandatory in phases since 2013. In 2016, BCA, with the support of the BIM Steering Committee and the various industry workgroups, launched the Codes of Practice for BIM e-Submission (CoP). The CoP aims to standardise the BIM modelling conventions and make clear the information to be provided in the model for regulatory submission. The CoP and templates are available for download at CORENET website:

[http://www.corenet.gov.sg/general/building-information-modeling-\(bim\)-e-submission.aspx](http://www.corenet.gov.sg/general/building-information-modeling-(bim)-e-submission.aspx)

This survey is meant to help us understand the current industry capability for BIM (at firm level) as well as gather feedback on the newly launched CoP so that we could further refine it. Please contact the following if you need any further clarification.
