Dear Sir/Madam

UPDATE TO CODE OF PRACTICE (COP) FOR TRAFFIC CONTROL AT WORK ZONE (FEBRUARY 2018 EDITION)

In tandem with the revision in the Standard Details of Road Elements on 02 January 2018, we have recently completed a review on the COP for Traffic Control at Work Zone.

2. We would like to inform you of the following changes to the COP:
 - a. Headroom clearance for sign not exceeding 1.44m² in area and for sign exceeding 1.44m² in area, is revised from 2.2m to 2.4m.
3. The updated COP for Traffic Control at Work Zone will be effective on 01 February 2018 and can be downloaded in LTA website under sub-sections, “Industry Matters”, “Development Building”, “Construction & Utility Works”, “Street Proposals and Works on Public Streets”.
4. We would greatly appreciate if you could convey the contents of this circular to relevant members of your organisations.
5. For enquiries or clarifications, please contact us at LTA_RWR@lta.gov.sg.

Yours faithfully

LEONG YIN FONG (Ms)
