Dear Sir/Madam

**Provision of PUB Service Plans via SLA INLIS Portal**

As part of technology refresh and service improvement, PUB service plans (SIP, DIP & WSP) will now be provided through SLA's INLIS Portal. The plans provide the same PUB information such as drainage reserve, sewerage lines and manholes, and water mains. PUB's current service for request of our service plans will cease on 5 Apr 2019 but we will continue to fulfil any service plan request made before that date. Future requests can be made through SLA's INLIS.

2 With this migration of service, the following improvements are now available.

- Shorter wait to receive plans
- No mapsheet cap limit to purchase
- More tools to select area, such as point selection with buffer and polygonal selection

3 When making a Development Control (DC) Submission to PUB, Qualified Persons shall use the purchase order No. X#####X as Reference No. and the date QP received SIP/DIP as date of SIP/DIP.

4 The service can be accessed using the following link.

<https://www.sla.gov.sg/INLIS/#/PUB/UP/Search>. The user guide for PUB service plans on INLIS can be downloaded from the link <https://www.sla.gov.sg/INLIS/SamplePDF/PUBUserGuide.pdf>

5 Should you have further queries on the above changes, please contact PUB at [pub\\_bpu@pub.gov.sg](mailto:pub_bpu@pub.gov.sg) or 67313512

Thank you.
