

## RENAMING OF REGISTERED NOISE CONSULTANTS SCHEME

**Reference:** NEA/EP/PDD/05-00075

**Date:** 30 Oct 2020

### CIRCULAR TO PROFESSIONAL INSTITUTIONS

Who should know

Developers, Architects, Engineers, Contractors and Builders

Dear Sir/Madam,

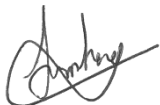

The Registered Noise Consultants Scheme (RNCS) was implemented on 1 April 2019 for noise assessment report referencing to the Technical Guidelines on Boundary Noise Limit for Air Conditioning and Mechanical Ventilation (ACMV) Systems in Non-Industrial Buildings. We have received feedback that the building industry has the impression that RNCS is applicable for any acoustic consultancy works.

2 To provide clarity to the building industry that the scope of works of the RNCS pertains to ACMV systems, the name of the registered scheme will be changed to “**Registered Noise Consultants Scheme (ACMV)**” with immediate effect.

3 For any enquiries, please let us know through the feedback form available on the NEA website at <http://www.nea.gov.sg/feedback>, myENV or OneService mobile applications. We would appreciate your assistance to disseminate the content of this circular to your members.

Thank you.

Sincerely

KOH JOON HONG
