## **EARTH CONTROL MEASURES (ECM) - SELF DECLARATION FOR MINOR DEVELOPMENT WORKS**

We refer to our circular dated 30 Nov 2020 on our plans towards self-declaration by Qualified Earth Control Professional (QECP)'s for minor development works to improve productivity.

2 Together with IES, we have rolled out 6 workshops and trained some 130 QECPs from Feb to Jun 2021. We are pleased to announce that the self-declaration will be launched with effective from 1 Sep 2021. QECPs can now expect to receive our approvals within a day upon successful submission of the ECM proposals. Please refer to Annex A to visit ECM submission portal.

3 The minor development works which are eligible for the self-declaration include:

- Trench works (up to 0.005Ha)
- Developments without basement (up to 0.05Ha), e.g. landed house, shop house); and
- Carpark improvement works

Please refer to annex B on how to select minor development work.

4 We would like to remind that QECPs and contractors are responsible for the design and implementation of effective ECM on site. PUB will not hesitate to rescind any approval issued and take enforcement actions if there is any non-compliance found.

5 Should you require assistance on the submission, please email [PUB\\_BPU@pub.gov.sg](mailto:PUB_BPU@pub.gov.sg) or call BPU hotline at 67313512. Thank you.

Yours faithfully

Lee Bee Koon (Ms)
